

RALLY LOGISTICS

GROUND/AIR SHIPPING

Each participant is responsible for the logistics and costs of shipping their own car(s) to and from the event. Let us know if we can be of assistance in connecting you to others from your area.

CAR STORAGE

Security will be provided at night during the rally in selected areas. We have contracted with a security company to provide security at night. However, we do need to know in advance of any special requirements regarding your vehicle.

PARTICIPANT TRAVEL INFORMATION

Bozeman Yellowstone International Airport BZN | www.bozemanairport.com

Hotel shuttle available - Share your flight information with **Element Bozeman**

(406-582-4972) a few days in advance, and they will pick you up for the 15 minute drive to the hotel.

TRANSPORT LOGISTICS

Shipping cars to and from Montana can be a bit pricy. Because of this, each year we receive requests to know who is in your part of the country so you can buddy up on shipping. We will not share names, emails, or phone numbers without your permission out of respect for your privacy. So, if you would like to work with your fellow ralliers to coordinate transport, please tell us. Once we receive your permission, we'll send an email to like-minded rally members. Also, tell us where your car is located if it isn't being shipped from the address you have given us.

Please arrange for shipment of your vehicles to/from:

Element Bozeman

25 East Mendenhall Street

Bozeman, MT, 59715
